32nd Rosen Outdoor Sculpture Competition & Exhibition

The Rosen Outdoor Sculpture Competition & Exhibition is a national juried competition presented annually by An Appalachian Summer Festival and the Turchin Center for the Visual Arts. Since its establishment in 1987, the competition continues a tradition of showcasing contemporary American sculpture in outdoor settings across the campus of Appalachian State University.

This program is made possible by the generous support of the Martin and Doris Rosen Giving Fund/Debbie Rosen Davidson and David Rosen and the Charles and Nancy Rosenblatt Foundation.

The Turchin Center wishes to thank this year's jurors, Daniel T. Beck and Ian Henderson, both from the Penland School of Crafts.

The Rosen Sculpture Program is part of An Appalachian Summer Festival with support from the Turchin Center for the Visual Arts. For more information, visit rosensculpture.org or tcva.org

Free guided tours are available for classes and groups. Please contact the Turchin Center at (828) 262-3017 or email turchincenter@appstate.edu to schedule a tour. Tours must be scheduled at least two weeks in advance.
