**33rd Rosen Outdoor Sculpture Competition & Exhibition**

The Rosen Outdoor Sculpture Competition & Exhibition is a national juried competition presented annually by the Turchin Center for the Visual Arts and An Appalachian Summer Festival. Since its establishment in 1987, the competition continues a tradition of showcasing contemporary American sculpture in outdoor settings across Appalachian State University’s campus.

This program is made possible by the generous support of the Martin and Doris Rosen Giving Fund/Debbie Rosen Davidson and David Rosen and the Charles and Nancy Rosenblatt Foundation.
